Saturday:

Sunday:

Sebastian is our November Student of the Month. Sebastian is a great friend and is kind to everyone. He works hard, stays positive, and always wants to do his best. He shows the Griffin Way Every Day by being respectful, responsible, safe, engaged, and accepting. Congratulations Sebastian!

The 2nd Grade Community Birthday Calendars are hot off the press and will soon be coming your way! The 2nd graders will soon be selling their community birthday calendars that feature the 2nd graders' original artwork. The cost of each calendar is \$2. We will also have some available at the Heartland Bank at the Diller and Odell locations. The 2nd graders will also have some available to purchase at the Elementary Winter Concert on December 12 in Diller. Thank you for your continued support of this community service project! All earnings will be used for our 2nd grade field trip and classroom needs.

About Us

Nebraska SMART (Success Made Accessible through Rural Tutoring) is a free virtual tutoring program for K-12 students who attend NRCSA (Nebraska Rural Community Schools Association) member school districts, school districts in Educational Service Units 1, 4, and 13, and other select smaller rural public-school districts. Teacher education candidates from Chadron State, Peru State, and Wayne State Colleges remotely tutor students through an online tutoring platform.

Nebraska SMART was established by the Nebraska State College System in partnership with the Nebraska Department of Education which awarded an Innovation Grant to the State Colleges to develop a rural tutoring program. Chadron State College, Peru State College, and Wayne State College collaboratively offer this free online tutoring program to K-12 students in rural Nebraska.
