Sunday:

Aurora is a bright and kind-hearted first grader who brings positive energy to the classroom every day. She is respectful to both her peers and teachers, always showing kindness in her interactions. Aurora consistently gives her best effort in all of her work, and her dedication is evident in everything she does. She is also a helpful friend, always willing to lend a hand to classmates who may need assistance. Congratulations Aurora!

About Us

Nebraska SMART (Success Made Accessible through Rural Tutoring) is a free virtual tutoring program for K-12 students who attend NRCSA (Nebraska Rural Community Schools Association) member school districts, school districts in Educational Service Units 1, 4, and 13, and other select smaller rural public-school districts. Teacher education candidates from Chadron State, Peru State, and Wayne State Colleges remotely tutor students through an online tutoring platform.

Nebraska SMART was established by the Nebraska State College System in partnership with the Nebraska Department of Education which awarded an Innovation Grant to the State Colleges to develop a rural tutoring program. Chadron State College, Peru State College, and Wayne State College collaboratively offer this free online tutoring program to K-12 students in rural Nebraska.
