Construction Day and Ag Day:

See information below: All information was sent to juniors and seniors. They must self-register and communicate with Mrs. Becker, a school vehicle will be used to get students to the event.

The construction industry has a variety of in-demand, high-impact, and technology-driven careers. SCC's Construction Day will give students hands-on opportunities to explore several construction-related career fields. Students will learn from industry leaders and SCC instructors and will work alongside current SCC students.
